

WELCOME TO OCEAN WORLD PREMIERE MARINA DESTINATION

MARINA –THE CARIBBEAN

Entry/Exit Procedure

Contact the marina office or dockmaster on VHF CH. 16/68 for safe passage in and out of the marina, instructions will be given on where to dock the vessel.

Arriving, departing to/from Dominican or foreign port

1. Navy, Drug Enforcement, Customs (reserve the right to inspect the vessel) and marina representative together will come to the vessel to check vessel in or out of the marina.
2. Marina concierge will escort Captain with all necessary documents i.e. Vessel doc, passports and crew/passenger list to the marina lobby for clearance by Immigration and Customs.
3. Vessels that are departing for a day of cruising/fishing must inform the marina office and Navy (60 minutes before departure) where the Navy will issue a dispatch document for the day.
4. If the vessel is departing outside the hours of operation of the marina (8am to 5pm) please inform the marina ahead of time.
5. If a vessel is departing to another port please inform the marina office in good time (day before) for clearance out by Navy, Customs, Immigration and Drug Enforcement.
6. Immigration enrollment and disenrollment. Please inform the Concierge 12 hrs before any person leaves the vessel by plane or arrives by plane, airport, etc.

Governmental Fees are as follows:

Port Authority	N/A
Immigration	US\$ 75.00 For Vessel. US\$ 12.50 per person.
Immigration enrollment and disenrollment	RD\$ 1500.00 each person. If crew/passenger arrive or depart by plane
Feedback	N/A
Navy (Navy on site 24 hour a day)	N/A
Agriculture / Animal Control	N/A
Drug Enforcement and Customs	N/A

- All foreign registered vessels are entitled to be in Dominican waters for 90 days, after that time they must apply for a cruising permit from the Dominican Navy, valid for 6 to 12 months.
- Garbage collection is made twice a day. Please separate organic matter from plastics, paper, etc. There is a \$2.00 dollar fee for each garbage bag collected from a vessel. There are also garbage cans at the end of each dock for smaller waste bags.
- Please connect to power pedestals with caution making sure connections are dry and breakers are in the off position.
- Please make sure water hose connections are secure to avoid waste.
- **IF WE CAN DO ANYTHING TO MAKE YOUR STAY MORE ENJOYABLE PLEASE DON'T HASITATE TO CONTACT US.**
